

Programming Assignment: Kd-Trees

✓ Passed · 97/100 points

Deadline The assignment was due on Feb 8, 2:59 AM EST
You can still pass this assignment before the course ends.

Instructions

My submission

Specification

Here is the programming assignment [specification](#) that describes the assignment requirements.

Web Submission

Submit a zip file named **kdtree.zip** that contains only the two source files, **PointSET.java** and **KdTree.java**.

Assessment Report

See the [Assessment Guide](#) for details on how to interpret the assessment report.

Personalized Feedback

In addition to the autograder feedback (available for free via Coursera platform), you can pay to have a teaching assistant read and provide personalized feedback on your submission at <https://mooc.codepost.io>.

How to submit

When you're ready to submit, you can upload files for each part of the assignment on the "My submission" tab.
